Formerly:

Healthcare Company, Southern California

2009-2012

Managed a privately held healthcare company in Southern California. Turned around and expanded the company. Instituted a variety of forward looking practices, managed a diverse team of professionals and administrative personnel, and enhanced operational efficiency, productivity and morale throughout the organization. Rectified numerous crisis and problem conditions and improved patient care, stability and financial viability, while maintaining the profitability of the company. In less than three years, value of the company nearly tripled when it was sold in 2012. Successfully spearheaded the ‘Due Diligence’ process to complete the sale.

Founder, National Chairman & Chief Executive Officer

U.S. Indian American Chamber of Commerce (USIACC), Washington, DC

2003-2007

- Provided vision and leadership to this national organization to foster increased participation and contribution to the US economy by Indian-Americans and Indian American businesses. Promoted entrepreneurship, business growth and international trade; Established bridges between entrepreneurs, small businesses, government agencies and major corporations; Built alliances with trade organizations and chambers of commerce; Conducted annual conventions and special events to promote networking and liaison between businesses in United States and India.
- Successfully mediated the signing of MoU in January 2007 between U.S. Small Business Administration and the Government of India in collaboration with American Chamber of Commerce, New Delhi, India.
- Developed excellent working relationships and signed MoU with U.S. SBA; U.S. Department of Energy; U.S. Department of Agriculture; U.S. Department of Commerce/MBDA; U.S. Department of Transportation; U.S. Department of Interior; U.S. EPA; State Governments.
